HARSHIT KUMAR PATEL

Aspiring Product Manager

Chennai, India — harshit.mzp888@gmail.com — +91 6386226495

Portfolio — LinkedIn — GitHub

SUMMARY

Aspiring Product Manager with experience in research-driven product development across EdTech and AI-based problem spaces. Interested in product discovery, user research, roadmap planning, and translating insights into clear product decisions.

EXPERIENCE

Research Intern – Product & EdTech   *Jan 2026 – Present*

Institute for Global Research on Public Policy and the SDGs

- Conducted market and user research on EdTech trends and AI adoption to support product discovery and roadmap planning.
- Collaborated with product, research, and academic stakeholders to align insights with organizational objectives.

Computer Science Faculty   *Jul 2025*

Sant Sai Shikshan Sansthan, Varanasi

- Delivered hands-on computer science instruction and adapted curriculum based on student learning gaps.

PROJECTS & CASE STUDIES

PathByte — Career Growth Platform (Deployed Product)

pathbyte.netlify.app

- Built a career guidance platform with structured learning paths, onboarding flows, and progress tracking.

PathByte — Product Case Study

pathbyte-casestudy.netlify.app

- Reduced student search fatigue using a roadmap-first strategy and curated learning resources.

ConvoHub — Academic Communication Platform (Case Study)

convohub-casestudy.netlify.app

- Designed a student-first communication system separating high-priority notices from discussions.

Inventura — Smart Inventory Assistant (Case Study)

inventura-casestudy.netlify.app

- Conceptualized an AI-assisted inventory tool for SMBs using offline-first and WhatsApp-based workflows.
